STILL PUZZLING
COMMISSIONERS**

The selection of an orchestra to dispense Hawaiian music at the Panama-Pacific International Exposition threatens to continue to cause the fair commissioners more trouble than all other matters combined.

Jonah Kumale, first choice of the commission, threw another bombshell into the commission meeting yesterday when he accused Commissioner John Wise of unfairness toward him and partiality towards Kumale's opponent, the Kaai Glee Club.

Kumale declared that Wise, who was selected at the previous meeting to choose contest music which both clubs were to play before the commissioners, had allotted him music which has never been printed and that therefore he was forced out of the running.

The squabble was finally adjusted when it was decided to appoint three women as judges of another contest between the Kumale and Kaai glee clubs and it was agreed that the music would be pieces well known to both clubs. Kumale also filed an objection to this plan. He suggested that both clubs perform before ex-Queen Liliuokalani and that the commission accept her decision.

GOVERNOR O. K.'S**DRUMMOND FOR****BANK EXAMINER**

The governor has approved Treasurer C. J. McCarthy's appointment of M. H. Drummond as deputy bank examiner and clerk, the appointment to take effect next Monday. Until last November Drummond was deputy city and county treasurer. At that time Col. McCarthy resigned his place as county treasurer and Drummond was given his post until the first of the present year, stepping out to make way for D. L. Conkling, the newly-elected county treasurer.

The new deputy bank examiner will leave for Hawaii a week from tomorrow, January 16, to audit the county accounts of the Big Island, and afterwards will proceed to Maui and Kauai to perform similar duties. He will not audit the books of the city and county of Honolulu, as that job has been handled by a special accountant, who will make his report to the territorial treasurer tomorrow.

In his new capacity Drummond will receive a salary of \$250 a month, though the billet is only temporary, pending anticipated action by the approaching legislature to change the system of county bookkeeping. His job is good until July 1, at least, however, as any alterations made by the legislature cannot go into effect until that date.

The new deputy bank examiner will be installed in a small office adjoining that of Registrar H. C. Hapai in the capitol, a little room hitherto unused, facing the front lanai of the building, just to the left of the main entrance.

The Hoster Columbus Associated Breweries of Columbus, O., a \$12,000,000 corporation, has applied for a receivership.

A heavy blanket of fog which covered Pittsburg froze and fell in fine flakes, the first time in years that such an occurrence was noted by the weather bureau.

**Morning on
'CHANGE'**

There was a strong tone of firmness today following the reporting of several large between-board sales in which there were marked advances. The market is strong and buyers have been forced to bid up for nearly every listed stock. Much of this buying is believed to have been for investment purposes, indicating still further a feeling of confidence.

The most important transactions were in two lots of Oahu Railroad and Land, one of 125 shares and the other of 57, which sold at 131, a rise of 1. McBryde advanced 1/4 in three sales, two of 100 shares. Hawaiian Commercial & Sugar held firm at 32 1/2 on one sale of 25 and then advanced 1/4 on another of 50.

One hundred Honokaa 6 per cent bonds went at 75c, an advance of 10 points over the last sale; 30 Hilo 6's held firm.

The only decline between boards was in Onomea, which dropped 2 1/2 points.

This morning the most important trade was in Mutual Telephone, which was up 1/4 on a small transaction.
